

Fence Types

Wood Fences

A classic and natural option available in materials such as cedar and pine. Wood fences offer privacy, durability, and timeless appeal.

Composite Fences

A low-maintenance alternative to wood made from durable composite materials. They provide the look of wood without the need for regular painting or staining.

Vinyl Fences

Durable and weather-resistant, vinyl fencing offers a clean, low-maintenance look and is available in a variety of styles and privacy options.

Metal & Hybrid Fences

Steel, aluminum, and mixed-material fencing provide a modern, durable, and stylish option. Decorative screens and custom designs can add a unique finishing touch.

Deck Styles

Ground-Level & Attached Decks

Simple, functional decks that connect directly to your home or provide an outdoor living area at ground level.

Multi-Level Decks

Tiered designs that create separate areas for dining, entertaining, lounging, or hot tubs.

Elevated & Rooftop Decks

Raised outdoor spaces designed to maximize views and usable space while incorporating proper structural support and safety railings.

Composite Decks

Low-maintenance decking that resists fading, staining, and everyday wear while providing the look and feel of traditional wood.
